

New and definitely improved

Life never stands still. And nor do we. That's why we've made a few important improvements to make our range even better.

Firstly, Renault fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

We've also streamlined our range, making sure all our models are even more stylish and packed with essential features. Simply choose from three trim levels: Play, Iconic or GT Line to find your perfect pick.

Our new MY18 EasyLife range is available to buy now. But if you've got your heart set on one of our existing models, don't worry: they're still available to buy too.

The end result is that a new Renault is even harder to resist. But don't take our word for it, try one today.

Renault Services

Even more irresistible

You'll fall under the irresistible charm of our Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille mesmerises with a front end panel that is more rewarding than ever and a new lighting signature. Redesign the Clio the way you want; its design lends itself to all customisations, contrasting door mirrors, matching roof decals and colour touches. With the Clio, each day is more intense than the last.

A strong personality

Intriguing and seductive, the Renault Clio shows its modern and distinctive style. Its new lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17" black alloy wheels (standard on Dynamique S Nav and Signature Nav) underline its dynamic silhouette.

^{*}Standard on Urban Nav, Dynamique S Nav and Signature Nav and optional on Dynamique Nav

Attention to detail

Refined upholstery, full grain leather steering wheel[†] and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents and gear gaiter surround,[^] dashboard, door panels and seat piping (on Dynamique S Nav). So many combinations to make the Renault Clio completely yours.

CLIO **AVAILABLE NOW**

Optional GT-Line look pack. Elegance and sportiness

With the optional GT-Line look pack (available on Dynamique Nav, Dynamique S Nav and Signature Nav), the Renault Clio takes full advantage of its dynamic design. It offers iconic, elegant sportiness: GT alloy wheels, front spoiler, side skirts, Dark Metal details including door mirrors, rear diffuser, single chrome exhaust and GT-line badge. A dazzling rise in style. The best of both worlds: elegance and sportiness.

The Clio Renault Sport. Boost your competitive spirit

The Renault Clio R.S. means business: cutting design, with race inspired blade and spoiler on the front bumper. Rear spoiler, diffuser and dual exhaust. Custom 17" and 18" Renault Sport alloy wheels*. Stylish innovation, additional LED R.S. VISION lighting, dedicated to everchanging driving conditions. Inside, experience technology in sport mode: a dual-clutch gearbox, steering wheel paddle shifts and the R.S. Drive. For an even more sensational ride, there is the 220hp Trophy version of the Clio R.S., with its powerfully loud optional AKRAPOVIČ exhaust. Get ready to be impressed.

*One set of standard 17" and a choice of 2 optional 18" alloy wheels on R.S. 200

Attention to detail

Clio Renault Sport introduces the new R.S. Vision LED lighting, giving the car a very distinctive personality on the road. Designed for its aerodynamics and combined with the Renault Sport spoiler, the rear diffuser gives an optimal rear stability to the car. Its dual chrome exhaust adds to its sporty look. The driving experience is enhanced by its sports seats with reinforced lateral holding.

R.S. monitor

The Renault Sport Monitor v2 is a performance tracking system providing the driver with real-time data (optional on RS 220 Trophy):

- lap timer, with memory function
- performance data, such as acceleration times
- transverse and longitudinal g-force
- data for the main engine functions including oil temperature and brakes plus real-time engine performance data (torque, power)

The Renault Sport Monitor v2 is only available with Renault R-Link.

The Renault Clio shows its assets

The Clio isn't just seductive. With its forward-thinking technology and on-board comfort, Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-Link system* and enjoy an immersive musical experience with the BOSE® Premium sound system**. Take advantage of driving aids such as the reverse parking camera* or the Hands free parking* for peace of mind and a choice of efficient engines to suit your needs.

Performance and control

Based on the combination of innovative technologies, some of which are the direct result of auto racing, the Clio ENERGY engines are a tour de force: they optimise driving pleasure while managing the consumption levels thanks to Stop and Start.

ENERGY TCe120 Stop & Start Strength and performance

Enjoy sharp acceleration with this petrol engine mated with a manual 6-speed transmission. The 120hp engine delivers 205Nm of torque at 2000 rev/min, which guarantees a responsive behaviour in all situations. Pleasure without limits.

ENERGY dCi110 Stop & Start Flexibility and comfort

Efficient and responsive, this diesel engine is designed for those looking for usage economy and driving pleasure. Featuring 110hp, it offers a torque up to 260Nm thanks to a powerful turbo and is mated with a manual 6-speed transmission.

ENERGY TCe90 Stop & Start Efficient driving

This efficient Stop & Start petrol engine and its ECO derivative are both mated with a manual 5-speed gearbox and they deliver a responsive drive whilst keeping the fuel consumption at a frugal level.

ENERGY dCi90 Stop & Start ECO Driving pleasure and frugality

Combined with ultra-low resistance tyres, this diesel engine delivers lower CO₂ emissions whilst not compromising on driving pleasure: with generous torque of 220Nm available even at low engine speeds, you will enjoy a comfortable drive and lively pick-up every time.

EDC Automatic gearbox

The 6-speed dual-clutch EDC automatic gearbox is available with the TCe120 petrol and dCi90 diesel engines. Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of a manual gearbox.

Stay connected on the move

MediaNav

Renault's on-board touch screen tablet MediaNav (standard on Dynamique Nav, Urban Nav, Dynamique S Nav and Renault Sport 200) provides access to useful and practical features including: navigation, media from multiple sources, hands free telephone using Bluetooth®* technology and Eco driving** giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Main menu with 6 icons Radio, Multimedia, Telephone, Eco Driving, Navigation, System settings.

Navigation
Provided by Navteq with vocal guidance.

Phone Bluetooth® technology* allows you to make and receive calls on the move.

R&GO

Is an application that turns your smartphone into a touchscreen for your dashboard (standard on Expression and Play). The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons.

Phone: Digital keypad, call history and contacts, phone calendar

Media: Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play

music from the phone, access internet radio (uses phone's data)

Vehicle: Eco driving score, fuel consumption information and trip computer

Navigation: On top of the "Find my car" feature where the phone automatically saves the location of your car and gives pedestrian navigation back to it, there are 2 options for navigation

- 3D vehicle navigation provided by CoPilot (in-app purchase) where maps are downloaded onto the phone (does not use phone's data)
- or your own navigation app (uses phone's data)

^{*}For compatible devices, please refer to https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html **Eco driving is not available on Renault Sport models

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack which also includes front and rear parking sensors and a reverse parking camera (optional on Dynamique S Nav and standard on Signature Nav and Renault Sport Trophy 220).

Android Auto™

Access your smartphone's apps for navigation, music, calling and messaging**.

Touchscreen navigation system

Provided by TomTom® (36 months subscription to LIVE services from delivery).

Multimedia

FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®*.

Reverse parking camera system

Front and rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside guidance aids.

Vehicle information

The fun "Eco Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption (not available on Renault Sport models).

Voice control

Set your destination, call a contact or launch an application with voice control*.

BOSE® Premium Sound System: pure sound

Get ready for an intense musical experience thanks to the optional BOSE® Premium sound system (optional on Dynamique S Nav, Signature Nav and Renault Sport Trophy 220). With its exclusive 6-speaker system and subwoofer* throughout the passenger compartment, you don't just hear the music; it transports you to the centre of a live concert. This adventure in sound, with clear treble and deep bass, will ignite your senses.

Manoeuvring has never been such fun

Renault innovation makes your trips endlessly more enjoyable. The driving aid technologies offered by the Renault Clio make your manoeuvres easier. You benefit from an enhanced safety for a comfortable drive.

Hands free parking (with R-Link)

Tight spots have never been so easy to handle as with the optional hands free parking (on Dynamique S Nav, standard on Signature Nav). The system assesses the available space and defines the trajectory. Let it take control of the steering whilst you simply control the speed for hassle-free parking.

The hands free parking system has 12 sensors placed on the front, rear and sides to detect a spot with adequate dimensions to park your vehicle.

Reverse parking camera system (image shown is the display with R-Link)

Front and rear parking sensors with reverse parking camera (optional on Dynamique S Nav and standard on Signature Nav and Renault Sport Trophy 220), which displays the image on the navigation system screen alongside guidance aids.

Hill Start Assist (HSA)

When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

n

Standard features

EXPRESSION

15" Lagoon wheel trims

Dark carbon cloth with mesh inserts

TECHNOLOGY

- FM/AM/DAB tuner, 2x20W speakers, Bluetooth®* audio streaming and hands free calls, USB and AUX sockets, smartphone cradle

^{*} Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.
†Renault UK Limited does not offer tax advice and recommends that all Company Car Drivers consult their own accountant with regards to their particular tax position.

**Stock only, please speak to your dealer for more information.

Renault Sport: Experts in Motorsport Passion

Think Renault and your mind will instantly flick to some of the greatest drivers, cars, technology and moments in motorsport history. We won in the very first grand prix in 1906 and over 110 years since then, our enthusiasm for motorsport burns as deep inside as ever.

Today, Renault Sport leads all of our activities in both motorsport and our performance road cars. From the Renault Clio Cup, through the mighty 550hp R.S.01, Formula Renault 2.0, the all-electric Formula E up to our Formula One team, we have an undeniable passion for competition running through our veins.

Renault's name appears in the career history of so many great drivers. Half of the grid of the current British Touring Car Championship started their career in the UK Clio Cup. Today Clio Cup still provides adrenalin-filled racing that continues to delight the crowds. With our new Clio Junior championship, aspiring racing drivers from 14 years old will be starting their racing career with a Clio.

This passion for performance at the highest level translates into our sports road cars with today's Clio Renault Sport. The dedicated Renault Sport dealer network is designed to deliver a retail experience that is as specialised and individual as the Renault Sport product range, offering customers a highly personalised service throughout their purchase and ownership journey. Our specialist dealers have been selected across various locations in the UK meaning customers will never be too far away from a Renault Sport Specialist dealership.

^{*} Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.

A little more about our new MY18 EasyLife range

Introducing our new, simplified range. Refined, revitalised and even more stylish, you can now choose from three trim levels: Play, Iconic and GT Line.

Featuring enhanced external looks and even more essential equipment, you'll find the perfect options to make your new Renault truly yours.

The MY18 EasyLife range is ready to order now.

Even more irresistible

You'll fall under the irresistible charm of our Renault Clio. Its sensuous curves make it stand out from the crowd. Its new grille mesmerises with a front end panel that is more rewarding than ever and a new lighting signature. With the Clio, each day is more intense than the last.

A strong personality

Intriguing and seductive, the Renault Clio shows its modern and distinctive style. Its new lighting signature, integrated in the Pure Vision LED headlights*, is instantly recognisable. From the side, its 17" black alloy wheels (standard on Iconic) underline its dynamic silhouette.

^{*}Standard on GT Line and optional on Iconic.

CLIO MY18

Attention to detail

Refined upholstery, full grain leather steering wheel[†] and quality finishes set the atmosphere in the new passenger compartment. You can customise its air vents and gear gaiter surround, dashboard, and seat piping. So many combinations to make the Renault Clio completely yours.

The Renault Clio shows its assets

The Clio isn't just seductive. With its forward-thinking technology and on-board comfort, Clio transforms your travels into sensory experiences. Discover connectivity that is as innovative as it is intuitive with the R-Link system* and enjoy an immersive musical experience with the BOSE® Premium sound system*. Take advantage of driving aids such as the reverse parking camera* or the Hands free parking** for peace of mind and a choice of efficient engines to suit your needs.

*Optional on Iconic and GT Line **Optional on GT Line

Performance and control

Based on the combination of innovative technologies, some of which are the direct result of auto racing, the Clio ENERGY engines are a tour de force: they optimise driving pleasure while managing the consumption levels thanks to Stop and Start.

ENERGY TCe 90 Stop & Start Efficient driving

This efficient Stop & Start petrol engine is mated with a manual 5-speed gearbox and delivers a responsive drive whilst keeping the fuel consumption at a frugal level.

ENERGY dCi 90 Stop & Start Driving pleasure and frugality

This diesel engine delivers lower CO_2 emissions whilst not compromising on driving pleasure: with generous torque of 220Nm available even at low engine speeds, you will enjoy a comfortable drive and lively pick-up every time.

EDC Automatic gearbox

The 6-speed dual-clutch EDC automatic gearbox is available with the dCi 90 diesel engine. Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of a manual gearbox.

Stay connected on the move

MediaNav

Renault's on-board touch screen tablet MediaNav (standard on Iconic and GT Line) provides access to useful and practical features including: navigation, media from multiple sources, hands free telephone using Bluetooth®* technology and Eco driving giving you advice to reduce your daily fuel consumption. Enjoy stress free travel with Renault MediaNav.

Main menu with 6 icons Radio, Multimedia, Telephone, Eco Driving, Navigation, System settings.

Navigation
Provided by Navteq with vocal guidance.

Bluetooth® technology* allows you to make and receive calls on the move.

R&GO

An application that turns your smartphone into a touchscreen for your dashboard (standard on Play). The fitted universal smartphone cradle mounts your phone to the dashboard and the app presents the features in an intuitive menu with large buttons.

Phone: Digital keypad, call history and contacts, phone calendar

Media: Select the input source for the stereo (including USB and AUX socket) and control the FM/AM/DAB radio, play

music from the phone, access internet radio (uses phone's data)

Vehicle: Eco driving score, fuel consumption information and trip computer

On top of the "Find my car" feature where the phone automatically saves the location of your car and gives pedestrian navigation back to it, there are 2 options for navigation

- 3D vehicle navigation provided by CoPilot (in-app purchase) where maps are downloaded onto the phone (does not use phone's data)
- or your own navigation app (uses phone's data)

Navigation:

^{*}For compatible devices, please refer to https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html

Optional R-Link

Integrated 7" touchscreen multimedia system (with navigation). In addition to its many built-in features shown below, there are also applications to download from the R-Link Store. You can control it from the screen, steering wheel controls or even voice command.

R-Link is available with the Techno Pack's which also includes front parking sensors, a reverse parking camera and European mapping (optional on Iconic and GT Line).

Android Auto™

Access your smartphone's apps for navigation, music, calling and messaging**.

Touchscreen navigation system

Provided by TomTom® (36 months subscription to LIVE services from delivery).

Multimedia

FM/AM/DAB tuner, connect devices via USB and AUX sockets or Bluetooth®*.

Reverse parking camera system

Front and rear parking sensors with reverse parking camera, which displays the image on the navigation system screen alongside quidance aids.

Vehicle information

The fun "Eco Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

Voice control

Set your destination, call a contact or launch an application with voice control*.

BOSE® Premium Sound System: pure sound

Get ready for an intense musical experience thanks to the optional BOSE® Premium sound system (optional on Iconic and GT Line). With its exclusive 6-speaker system and subwoofer* throughout the passenger compartment, you don't just hear the music; it transports you to the centre of a live concert. This adventure in sound, with clear treble and deep bass, will ignite your senses.

Manoeuvring has never been such fun

Renault innovation makes your trips endlessly more enjoyable. The driving aid technologies offered by the Renault Clio make your manoeuvres easier. You benefit from an enhanced safety for a comfortable drive.

Hands free parking (with R-Link)

Tight spots have never been so easy to handle as with the optional hands free parking (on GT Line). The system assesses the available space and defines the trajectory. Let it take control of the steering whilst you simply control the speed for hassle-free parking.

The hands free parking system has 12 sensors placed on the front, rear and sides to detect a spot with adequate dimensions to park your vehicle.

Front and rear parking sensors with reverse parking camera (optional on Iconic and GT Line), which displays the image on the navigation system screen alongside guidance aids.

Hill Start Assist (HSA)

When starting the vehicle on a hill, the brake pressure is automatically maintained for two seconds, giving the driver time to manoeuvre.

EasyLife - Standard features

(h

PLAY MY18

16" black alloy wheel

Dark carbon cloth with mesh inserts and grey piping

- FM/AM/DAB tuner, 2x20W speakers, Bluetooth®* audio streaming and hands free calls, USB and AUX sockets, smartphone cradle
- R&GO application free download for compatible smartphones*
- Hands free keycard with push button Start / Stop function
- Cruise control and speed limiter
- ABS (Anti-locking Braking System) with EBA (Emergency Brake Assist)
- ESC (Electronic Stability Control)
- ETC (Electronic Traction Control)
- HSA (Hill Start Assist)
- Tyre pressure warning light
- Tyre inflation kit

EXTERIOR

- 16" black alloy wheels
- Front fog lights
- Rear fog light
- Door mirrors body coloured, electrically adjustable and heated
- Halogen headlamps
- Daytime running lights LED (lower bumper)
- Black gloss side door protection with chrome insert
- Body coloured door handles
- Exterior chrome touches (front grille strip, boot lid strip)
- Variable speed on front windscreen wipers

INTERIOR

- Manual air conditioning
- 3 rear headrests
- Front electric windows
- Front driver window with one touch facility and anti-pinch function
- Synthetic leather steering wheel
- Driver's seat height adjustable
- Height and reach adjustable steering wheel
- · Central door locking
- Front and rear no seatbelt warning sound
- Heating system with pollen filter
- Rear seats 60:40 split and fixed base
- Dark carbon cloth with mesh inserts and grey piping
- ISOFIX child seat fixing points on rear outermost seats
- Black soft touch dashboard with black gloss air vent surrounds

EasyLife range - Standard features

^{*}Figures are produced for comparison purposes in accordance with European legislation and may not reflect real life driving results. Equivalent NEDC value obtained from WLTP figures, aiming to reflect a closer representation of the 'real-world' fuel consumption and CO₂ figures. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.
†Renault UK Limited does not offer tax advice and recommends that all Company Car Drivers consult their own accountant with regards to their particular tax position.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Pack - £99*

Renault's EasyLife Pack is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing You know exactly what you'll pay and there are no hidden costs
- Peace of Mind No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality Our highly trained technicians know your Renault inside out

The EasyLife Pack contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

Finance options**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance option¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto^ rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault car insurance:

0330 102 8833†

www.renaultcarinsurance.co.uk

Lines are open Monday - Thursday 8.30am - 7.30pm, Friday 9am - 6pm, Saturday 9am - 5pm.

Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
- Tyres can be included within the contract at an additional fixed cost
- Ancillary equipment can also be included (at an additional fixed monthly cost)
- Excludes: Damage/Neglect/Abuse/Glass & Bulbs

- · A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- · No pooled mileage administration
- · Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare
