

RENAULT
Passion for life

Renault KADJAR

11 May 2018

Be bold, be active

With fluid lines, an aggressive grille and athletic shoulders, the Renault KADJAR is boldness incarnate. Inspired, solid and sporty, it's by your side in whatever you do and is ready to venture into new horizons at the drop of a hat.

Strength of character

Offering sculpted and enveloping rear lights, a “C” shaped LED light guide on the daytime running lights, and light 17” and 19” alloy wheel rims, the KADJAR asserts itself with authority and distinction, proud of its innovative lighting signature.

Four-Wheel Drive Freedom

Change scenery and explore new sensations. Turn the selector knob, switch to Four-Wheel Drive mode and your crossover safely transports you into landscapes that will take your breath away. Raised ground clearance, aluminium roof bars, side protectors and front and rear skid plates are all part of the KADJAR crossover universe.

Urban adventure

Be adventurous every day and set out to discover the city in a new light.

With its ENERGY dCi 110 engine, its Stop & Start and regenerative braking system, the KADJAR is a top performer in consumption and CO₂ emissions (99 g of CO₂/km*), making it an eco leader.

* Figures are obtained for comparative purposes in accordance with EU Legislation and may not reflect real life driving results.

Set off for new adventures with the Renault KADJAR

At the wheel of your new crossover, explore uncharted territory and new horizons. Safe, connected and user-friendly, the Renault KADJAR does away with convention: its efficient engines, multiple driving assistance features, its comfortable and bright interior, and its intelligent modularity make it the ideal vehicle for escaping.

Tailored grip Four-Wheel Drive transmission

Four-Wheel Drive* transmission. Faced with changing driving conditions? Just turn the selector knob and choose the most suitable mode. Three modes are available:

2WD: only the front wheels power the vehicle. Under normal driving conditions this optimises your consumption.

Auto: the system automatically adjusts the torque distribution and adapts the transmission of power between each of the front and rear wheels. This delivers optimal traction and safety.

Lock: a 50/50 split between the front and rear wheels is maintained below 25 mph on loose surfaces (earth, sand, mud, snow).

*Four-Wheel Drive transmission is available with the ENERGY dCi 130 engine.

Efficiency without compromise

The engines powering the Renault KADJAR are advanced, reliable and low on consumption. Fitted with the Stop & Start system with regenerative braking, they include a host of technologies (downsizing, friction reduction, latest-generation injection systems) that elevate them to exemplary levels of performance and consumption, all without sacrificing your driving pleasure.

ENERGY dCi 110 **Driving comfort**

The dCi 110 engine has a clear roadmap - to deliver performance and efficiency every day. Designed for drivers who want both economy of use and driving pleasure, it features for the first time steel pistons, which optimise performance by reducing friction. Paired with a six-speed manual gearbox, it is also available with the six-speed EDC dual-clutch automatic transmission. It is remarkably efficient: 99g of CO₂/km* and 74.3mpg*!

*Figures are obtained for comparative purposes in accordance with EU Legislation and may not reflect real life driving results.

EDC gearbox **Comfort, moderate consumption and technology**

This 6-speed automatic dual-clutch gearbox guarantees smooth, jerk-free gear changes. Dynamic and responsive, the EDC responds almost instantly to the slightest driver input. In terms of economy, its fuel consumption is similar to that of a mechanical gearbox. Available with the ENERGY dCi 110 engine, the EDC gearbox is ideal for an enjoyable and relaxed drive in all conditions.

ENERGY dCi 130 **Driving pleasure**

Both versatile and advanced, this engine is packed with the expertise of Renault's motor engineers. No need to compromise either performance for pleasure or driving sensations for consumption. The ENERGY dCi 130 is also available in a Four-Wheel Drive version.

ENERGY TCe 130 **Flexibility and control**

Flexible and responsive from low rpm, the Energy TCe 130 petrol engine delivers power with its turbo function and economy with its low consumption.

Connected control

The Renault R-Link 2 multimedia system delivers an enriched driving experience. Intuitive, ergonomic and touch-sensitive, the 7" screen is extremely easy to use. The graphic interface is similar to a tablet: move icons by tapping and dragging, or read by scrolling and zooming.

The new customisable home pages provide easy access to your favourite functions. Six different user profiles can be stored. At just the press of a button, everyone can restore their own personal navigation and multimedia settings, their activation of driving assistance function or the ambience of "their" dashboard.

Because it's connected, R-Link 2 gives you access to the R-Link Store and its range of apps dedicated to motoring. Also available is a whole host of services such as TomTom* real-time traffic info and driving assistance functions.

A veritable control centre for the vehicle's functionalities and featuring voice recognition, R-Link 2 optimises the on-board experience and introduces you to the delights of connected and personalised driving. And now compatible with Apple CarPlay™ and Android Auto™^ for even greater connectivity!

* For a limited period. ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle. Standard on Dynamique Nav and above (built from w17.2017).

Model illustrated includes hands free parking

Assisting your motoring every day

Making your motoring easier, more relaxed, safer and more fluid is one of the Renault KADJAR'S missions. Its driving assistance systems make it a breeze to adjust your speed, keep straight, check blind spots, park or automatically switch to dipped or full beams depending on whether other vehicles are in the vicinity. With KADJAR, driving is as safe as can be.

Speeding alert with traffic sign recognition

The system helps you adapt your driving to road sign data captured by the camera. A visual alert is shown on your dashboard and suggests saving it as the value for the speed limiter.

Hands free parking

Tight spots have never been so easy to handle as with hands free parking. The system assesses the available space and defines the trajectory. Let it take control of the steering for hassle-free parking.

Blind spot warning

This system detects the presence of vehicles in your blind spot. It automatically alerts the driver using a light signal located on the front left or right door mirror.

Active emergency braking system

This system alerts the driver if there is a risk of collision with the vehicle in front. If the driver reacts insufficiently or not at all, the brakes are activated to prevent or mitigate a collision.

BOSE® Sound System

Explore new sounds

Delivering deep bass and treble frequencies for a realistic sound experience, the Bose® sound system turns the cabin of your crossover into a concert hall. Seven high-performance speakers and a subwoofer emit a panoramic sound, assisted by a specially configured digital amplifier. With clear tones, tight rhythms and subtle chords, the sound is rich, balanced and precise in the front and the rear. The Renault KADJAR is both a motoring and a musical adventure...

Versatility and practicality

Offering spaciousness, intelligent modularity and storage capacity, the Renault KADJAR offers a wealth of qualities. To push the boundaries, it includes the “One touch” easy folding system, which features handles in the boot to unlock and automatically fold down the 60:40 split rear seat. The two positions of the boot floor allow you to choose between a high position that forms a completely flat floor and a low position providing a load volume of 527 litres. The boot can also be divided into two or three spaces for smart and protected storage. Storage spaces are also in full force, with a 30-litre capacity spread throughout the cabin, making the on-board experience a breeze.

Renault KADJAR
Start living.

Standard features

EXPRESSION+

ARTEMIS - 16" steel wheels

Dark Carbon fabric upholstery

SAFETY AND SECURITY

- ABS with EBD - Electronic Brake Distribution and Emergency Brake Assist
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger two stage auto-adaptive
- Airbags - front and rear curtain
- Airbags - front lateral
- Assisted parking brake
- Cruise control and speed limiter
- Deadlocking and immobiliser
- ECO mode
- Electronic parking brake
- ESP (Electronic Stability Programme) with ASR (Anti-Skid Regulation) and UCL (Understeer Logic Control)
- Headrests - front - two height and adjustable headrests
- Headrests - rear - three height adjustable headrests
- Indicators with side repeaters
- Insurance approved alarm (Thatcham category 1)
- ISOFIX points on outer rear seats
- R.A.I.D. (Renault Anti Intruder Device) - automatic locking of the doors and boot over 6mph
- Seatbelts - front - three-point seatbelts with double pretensioners and load limiters
- Seatbelts - rear - three 3-point seatbelts with load limiters
- Seatbelts - audible alert when seatbelts are not buckled
- Side impact protection bars
- Tyre inflation kit
- Tyre pressure monitor

COMFORT AND CONVENIENCE

- Accessory power point
- Adjustable dashboard illumination
- Driver - height adjustable seat
- Electric front and rear windows
- Exterior temperature indicator
- Floor mats - front and rear
- Halogen headlights
- Heated rear windscreen
- HSA - Hill Start Assist
- Lights - boot and rear door lighting
- Manual air conditioning
- Multi-functional trip computer
- Socket - front - 12v socket
- Steering wheel - power assisted, height, rake and reach adjustable
- Storage - glovebox
- Trip computer and rev counter
- Windscreen wipers - front with variable speed adjustment
- Windscreen wipers - rear

EXTERIOR

- Body side moulding
- Door handles - body coloured
- Door mirrors - body coloured
- Front fog lights
- LED DRL - Daytime Running Lights
- ARTEMIS - 16" steel wheels
- Windows chrome surrounds

INTERIOR

- Display - digital speedometer (TFT screen)
- Front centre armrest
- Seats - rear 60:40 split folding
- Tinted windows
- Upholstery - Dark Carbon fabric

CONNECTIVITY AND SOUND SYSTEM

- Bluetooth connectivity
- FM/AM/DAB tuner, 4x20W speakers, Bluetooth®* audio streaming and hands-free calls, USB and AUX sockets
- USB connection

Standard features

DYNAMIQUE NAV (additional equipment to Expression+)

Image shown with Pack R-Link 2

ATHENA - 17" alloy wheels

Dark Carbon fabric upholstery

SAFETY AND SECURITY

- Fog lights with corner function

EXTERIOR

- ATHENA - 17" alloy wheels
- Body side mouldings with chrome inserts
- Roof rails

INTERIOR

- Driver - height and lumbar adjustable seat
- Leather steering wheel
- Windows - extra tinted rear and tailgate

COMFORT AND CONVENIENCE

- Automatic dual zone climate control
- Automatic light sensitive headlights
- Automatic rain sensitive windscreen wipers
- Door mirrors - electrically adjustable, heated and folding
- Hands free keycard with walk away lock function
- Visio system (lane departure warning, traffic sign recognition, automatic high/low beam)

CONNECTIVITY AND SOUND SYSTEM

- Compatible with Apple CarPlay™ & Android Auto™ ^
- R-Link 2 multimedia system: 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth®** audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- 4x35W speakers with 3D sound

**For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html> ^Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle

Standard features

DYNAMIQUE S NAV (additional equipment to Dynamique Nav)

APOLLO - 19" diamond cut alloy wheels

Dark Carbon synthetic leather and cloth upholstery

SAFETY AND SECURITY

- Front and rear parking sensors

EXTERIOR

- APOLLO - 19" diamond cut alloy wheels

INTERIOR

- Central rear armrest with cup holder
- Passenger - height adjustable seat
- Upholstery - Dark Carbon synthetic leather and cloth

COMFORT AND CONVENIENCE

- Door mirrors - electrically adjustable, heated and folding
- Full flat floor and multi position boot floor
- Quick folding rear seats

Standard features

SIGNATURE NAV (additional equipment to Dynamique S Nav)

ZEUS - 19" diamond cut alloy wheels

Signature Dark Carbon synthetic leather and cloth upholstery

EXTERIOR

- Full LED headlights
- Painted front and rear skids
- Fixed panoramic sunroof
- Side and boot kick plates
- ZEUS - 19" diamond cut alloy wheels

INTERIOR

- Nappa leather steering wheel
- Upholstery - Signature Dark Carbon synthetic leather and cloth

COMFORT AND CONVENIENCE

- Auto-dimming rear-view mirror
- Sun visor with mirror and light

CONNECTIVITY AND SOUND SYSTEM

- BOSE® energy efficient sound system:
7 speakers with a digital amplifier
+ 1 Subwoofer

Standard features

SIGNATURE S NAV (additional equipment to Signature Nav)

ZEUS - 19" diamond cut alloy wheels

Signature Black leather upholstery

SAFETY AND SECURITY

- Rear parking camera
- Blind spot warning

INTERIOR

- Upholstery - Black leather with synthetic leather central rear headrest
- Heated front seats and electrically adjustable driver's seat (fore/aft, height and recline)

COMFORT AND CONVENIENCE

- Hands free parking

Leather interiors

The luxury of Leather

A luxurious leather interior complements the look and feel of the Renault KADJAR. From the moment you open the door, experience the opulent styling and unmistakable aroma of real leather allowing you to enjoy the ultimate in style and exclusivity. The finest, hand selected hides are carefully crafted and fitted to all the front and rear seating, along with the door and central armrest. Enjoy the durability and supreme comfort of a luxury leather interior that matures, beautifies and shrugs off the wear and tear of everyday life.

Leather quality

Our designers use only the finest premium automotive grade hides that have been carefully hand selected for consistency of grain, tone and texture. The latest technology is then used to precision cut and stitch the leather for a supreme finish that will stand the rigours of time.

Content of the kit

The Leather Interior pack includes leather on front and rear seats and headrests, front central armrest and door inserts, front and rear.

Choice of colours, colour of stitching

Choose between Midnight Blue, Saddle Brown, Dark Red or Cream Beige. The colours are brightened up by white stitching.

Artisan Leather Interior

You can take the personalisation of your Renault KADJAR to the next level by selecting a colour or design from our premium Artisan range. Incorporating colours from the bespoke Artisan range along with a wide range of contrasting stitch colours gives you the opportunity to ensure that your Renault KADJAR has its own individual style and character.

* Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single car. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption. For further information, please visit the Vehicle Certification Agency web site www.vca.gov.uk. For more information on CO₂ banding and Company Car Tax Benefit in Kind go to www.renault.co.uk.

Renault Services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit www.renault.co.uk/assistance

EasyLife Pack - £99*

Renault's EasyLife Pack is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Pack contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

Finance options**

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Renault car insurance option¹

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto[^] rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

Renault car insurance:

0330 102 8833[†]

www.renaultcarinsurance.co.uk

Lines are open Monday - Thursday 8.30am - 7.30pm, Friday 9am - 6pm, Saturday 9am - 5pm.

Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package. Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
 - Tyres can be included within the contract at an additional fixed cost
 - Ancillary equipment can also be included (at an additional fixed monthly cost)
 - Excludes: Damage/Neglect/Abuse/Glass & Bulbs

- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare

Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000[†] (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website www.renault.co.uk or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.
