2 July 2018

# SCENIC and GRAND SCENIC: the MPV reinvented

A world of opportunity. SCENIC and GRAND SCENIC are packed with innovation to help you make the most of every moment. Clever design has created beautiful proportions whilst maximising space to stay true to the "Multi-Purpose Vehicle" concept. Furthermore, innovations in modularity make SCENIC and GRAND SCENIC a flexible vehicle to live with every day. Top that with the latest safety and in-car technology and SCENIC and GRAND SCENIC are ready for what life will bring.

## Beautiful & clever design

Beautiful design with clever innovations are at the heart of SCENIC and GRAND SCENIC. The unique 20" alloy wheels were inspired by the R-SPACE concept car and have been designed with a specific profile to provide low rolling resistance and promote fuel efficiency.

A striking two-tone paint finish† accentuates the sweeping roofline and windscreen of SCENIC and GRAND SCENIC. Full LED headlights with Pure Vision\* technology combine with highly distinctive C-shaped LED daytime running lights (DRLs) to give the vehicle a bold on road presence. To finish, Edge Light technology gives the tail lights a 3D effect, all for a truly recognisable lighting signature.

†Standard on Dynamique S Nav and Signature Nav versions. \*Standard on Signature Nav.

# Family room

Created to maximise the well-being of passengers and driver alike, SCENIC and GRAND SCENIC take the monospace concept to new levels. The passenger compartments are bathed in light thanks to a huge panoramic glass sunroof† to form a natural living space. Clever innovations make daily life easier, including One-Touch Folding‡, which makes it possible to lower the rear seats to obtain a flat floor by simply pressing the Renault R-LINK 2\* touch screen (or using the boot controls). The rear bench seat (60:40 split), with its supportive seats, slides for optimal use of the passenger compartment.

Image shown is with 8.7" touchscreen - standard on Dynamique S Nav and Signature Nav versions.

†Standard on Dynamique S Nav and Signature Nav versions.

\*Standard from Dynamique S Nav and above.

# A world of freedom

Comfortable, spacious, and configurable to your needs, the GRAND SCENIC provides added flexible space. Its seven seats make it easy to travel as a family. The 60:40 split sliding bench seat in the second row and two seats in the third row are foldable using the One-Touch folding\* control. With the second and third rows of seats folded flat, GRAND SCENIC transforms to offer a cavernous load space.

\*Standard from Dynamique S Nav and above.

# Shared space

A clever sliding centre console\* makes it possible to choose your own interior configuration: in the forward position the driver sits in a cockpit-type setup, or positioned further back a shared space for the entire family is created. For the front passengers, the sliding centre console is used as an armrest, whilst for rear passengers, a storage bin, two USB ports and a 12-volt socket make powering tablets easy – great for longer journeys!

\*Standard from Dynamique Nav and above.

## Useful technology

Welcome to the cockpit of the SCENIC and GRAND SCENIC. The new multimedia R-LINK 2 system\* is the centre point of the dashboard with its huge 8.7" screen\*\*. Intuitive and responsive, it provides access to functions such as navigation, phone and MULTI-SENSE\*\* (which offers a choice of five different driving modes and ambient lighting settings). A colour head-up display\*\* completes the cockpit, updating the driver with key information such as speed and directions. And with your eyes on the road for longer, the colour head-up display promotes safer driving.

Take advantage of voice control commands accessed from the steering wheel\* for greater ease of use whilst on the move.

And now, R-Link 2\* is compatible with Apple CarPlay™<sup>1</sup> and Android Auto™<sup>1</sup>. Access selected smartphone apps^ from the R-Link 2\* touchscreen multimedia system - get connected!

\*Standard from Dynamique Nav and above. \*\*Standard from Dynamique S Nav and above.  
1 Standard on Dynamique Nav versions and above from build week 17 2017. ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle

# On-board intelligence

True pleasure requires peace of mind. SCENIC and GRAND SCENIC offer the latest driver assistance technology because the safety of you and your family is paramount. Active Emergency Braking System (AEBS) with pedestrian detection, is a standard feature across the range. This system will apply the vehicle's brakes if a collision with a vehicle or pedestrian is detected (subject to certain parameters). The Fatigue Alert\* monitors your driving inputs and notifies you when it is time to take a break. Lane-Keeping Assist (LKA)\*\* corrects the steering if your vehicle makes an unplanned move out of lane.

\*Standard from Dynamique Nav. \*\*Optional as part of the Safety Pack and Safety Pack Premium.

# Driver assistance

SCENIC and GRAND SCENIC feature useful technology as standard that can be enjoyed everyday. Hill Start Assist makes pulling away on an incline much easier. The Visio system packs in automatic high/low beam, traffic sign recognition plus lane departure warning. The technologies below are offered to further enhance your SCENIC and GRAND SCENIC.

## Fatigue detection alert<sup>1</sup>

With its trajectory analysis system, the Renault SCENIC detects any anomaly linked to fatigue and informs you so that you know when it is time to take a break.

## Hands Free Parking<sup>2</sup>

Parallel, perpendicular, and angled parking will all be fun from now on! With its 360 degree sensors, the Hands Free Parking system measures the available space before providing steering guidance during manoeuvres.

## Adaptive Cruise Control (ACC)<sup>3</sup>

Keep a safe distance from the vehicle in front of you. The adaptive cruise control automatically adjusts the set speed to maintain a safe distance.

## Blind Spot Warning<sup>4</sup>

Sensors mounted in the front and rear bumpers help to detect vehicles in your blind spot. If a vehicle is detected, an orange light will appear in the door mirror.

1. Standard from Dynamique Nav and above. 2. Part of Parking Pack Premium, available as an option from Dynamique S Nav and above. 3. Available as part of the Safety Pack Premium. Optional on Dynamique S Nav and above (not available on petrol and dCi 110 HYBRID ASSIST versions). 4. Part of Parking Pack Premium, available as an option from Dynamique S Nav and above.

# Storage space

SCENIC and GRAND SCENIC feature handy storage throughout the cabin - 56.9\* litres to be exact!  
With everything you need ready to hand, you'll always be prepared.

\*Standard from Dynamique Nav and above.

# Driving sensations

You want your car to match your mood, one day feeling sporty and the next hoping to be relaxed. With the MULTI-SENSE\* ambient lighting and driving mode selector you can change the SCENIC's setup to match your mood. By pressing the MULTI-SENSE\* button on the central console, access a choice of five different modes: Neutral, Sport, Comfort, Perso and Eco. MULTI-SENSE\* modifies engine response, accelerator sensitivity, the speed of gear changes, steering weight, air conditioning power, engine sound, and ambient lighting! From sepia to red or blue through to purple, or green, the ambient lighting accents the doors, the instrument panel and the R-LINK 2\* screen beautifully. And with the Perso mode choose a setup which you configure.

## Bose® Surround sound\*

Bose® and Renault engineers worked together to create custom surround sound for SCENIC and GRAND SCENIC. 11 high-performance speakers, ideally positioned in the passenger compartment, transform SCENIC and GRAND SCENIC into a huge theatre. Thanks to the front central speaker, voices and instruments are crisp and clear. The Bose® Surround technology gives the sound experience a totally unique and immersive dimension.

\*Part of BOSE® Pack, optional for Dynamique S Nav and Signature Nav versions. Standard with dCi 160 Auto EDC variants.

# Modular

True champions of smart storage, SCENIC and GRAND SCENIC offer many practical spaces. For example, the sliding centre console<sup>^</sup> and under-floor compartment let you discreetly store items out of sight. Then there's the One-Touch folding<sup>1</sup> that lets you fold the rear seats into a flat floor to make large loads easy.

# A diverse selection

## Energy TCe 140 petrol engine

This latest generation petrol engine from Renault features technologies to help increase torque (up to 240Nm) and reduce CO<sup>2</sup>\*. As a result the TCe 140 delivers driver pleasure around town or on motorway routes. For even greater flexibility the TCe 140 is available with the Auto-EDC transmission.

## dCi 160 Auto EDC

Responsiveness, power, and refinement are key characteristics of the Twin Turbo 160hp engine. The dual-clutch, six-speed Auto EDC transmission optimises driving pleasure. The driving sensation is dynamic, fluid, and efficient.

## dCi 130

A great blend of performance and fuel economy. With 320Nm torque, the dCi 130 has plenty of pulling power for driving pleasure, yet is efficient for day to day driving.

## ENERGY dCi 110

Flexible, efficient and refined. The dCi 110 diesel engine is a great choice for fuel efficient everyday motoring.

## ENERGY dCi 110 HYBRID ASSIST

For the ultimate in fuel efficiency in the SCENIC range Renault offers the dCi 110 HYBRID ASSIST. The 10 kW electric motor aids the dCi 110 diesel engine under acceleration to improve fuel economy. Under braking or deceleration the electric motor acts as a generator to recover energy and charge a battery located to the rear of the vehicle, ready to be used when accelerating.

# Standard features

## EXPRESSION+

20" Silverstone alloy wheels

Dark Carbon cloth upholstery

### SAFETY AND SECURITY

- ABS with EBD (Electronic Brake Distribution) and Emergency Brake Assist
- AEBS with pedestrian detection
- Airbag - front passenger deactivation facility
- Airbags - driver and front passenger
- Airbags - front and rear curtain
- Airbags - front lateral
- Child locks
- Cruise Control and Speed limiter
- Deadlocking and immobiliser
- ECO mode
- ESP (Electronic Stability Programme) with understeer control
- Front and rear towing rings
- Headrests - Front - Two height and adjustable headrests
- Headrests - Rear - Three height adjustable headrests
- Hill Start Assist
- Indicators with side repeaters
- Insurance approved alarm (Thatcham category 1)
- Insurance approved locks and ignition barrel

- ISOFIX child seat anchorage points on rear outer seats and front passenger seat
- Protective rear brake disc
- R.A.I.D. (Renault Anti Intruder Device) - Automatic locking of the doors and boot over 6mph
- Seat belts - Front - Three-point seatbelts with double pretensioners and load limiters
- Seat belts - Rear - Three 3-point seatbelts with load limiters
- Seat belts - seat belts not fastened alert
- Tyre Inflation Kit
- Tyre Pressure Monitor
- Electronic parking brake
- LED indicators in door mirrors

### EXTERIOR

- 20" SILVERSTONE alloy wheels
- Body side moulding with chrome insert
- Chrome detailing (side window line)
- Door handles - body coloured with chrome inserts
- Door mirrors - Body coloured
- Front fog lights

- LED DRLs - Daytime running lights
- LED tail lights
- Roof rails - longitudinal (Grand Scénic only)

### INTERIOR

- Synthetic leather steering wheel
- 2nd row seating - 60:40 split folding seats, ISOFIX on outer seats, 3 point seat belts with load limiters
- 3rd row seating (2 seats, foldable into boot floor) with 3 point seat belts, cupholders and reading lights (Grand Scénic only)
- Centre console - fixed
- Display - Digital speedometer (7" TFT screen)
- Driver - height and lumbar adjustable seat
- Driver and front passenger reading lights and central light
- Driver and front passenger seat with rear mounted storage pockets
- Driver and front passenger sunvisors with vanity mirror and light
- Gear knob - leather and satin chrome
- Passenger - height adjustable seat

- Reading lights for 2nd row passengers
- Rearview mirror - standard
- Seats - fold flat
- Tinted windows
- Upholstery - Dark Carbon Cloth

### COMFORT AND CONVENIENCE

- Automatic Dual Zone climate control with Air Quality Sensor
- Automatic headlights and windscreen wipers
- Door mirrors - Electrically adjustable, heated and folding
- Electric front windows with one-touch function
- Electric rear windows
- Keycard - hands free with walkaway lock function
- Multi position boot floor
- Visio System (lane departure warning, traffic sign recognition, automatic high/low beam)

### CONNECTIVITY AND SOUND SYSTEM

- 7" touchscreen, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls

# Standard features

## DYNAMIQUE NAV (additional equipment to Expression+)

20" Silverstone alloy wheels

Dark Carbon cloth upholstery

### SAFETY AND SECURITY

- Fatigue alert
- Front and rear parking sensors

### EXTERIOR

- 20" SILVERSTONE alloy wheels

### INTERIOR

- Centre console - sliding, with 2 x USB ports, 1 x 12v socket, AUX input for rear passengers (all rear mounted) and 2 x 500ml bottle holders for front passengers

### COMFORT AND CONVENIENCE

- Connections - front - 12v socket, 2 x USB and AUX

### CONNECTIVITY AND SOUND SYSTEM

- Arkamys Auditorium 3D Sound system with 6 speakers
- Compatible with Apple CarPlay™ & Android Auto™ ^
- R-Link 2 multimedia system: 7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth®† audio streaming and hands-free calls, voice control, vehicle applications

† For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html> ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# Standard features

## DYNAMIQUE S NAV (additional equipment to Dynamique Nav)

20" Exception alloy wheels

Synthetic leather and Dark Carbon cloth upholstery

### SAFETY AND SECURITY

- Head up display (colour) - with adjustable brightness
- Rear parking camera with front and rear parking sensors

### EXTERIOR

- 20" EXCEPTION alloy wheels
- Chrome detailing (boot and front grille)
- Contrasting roof and door mirror colour
- Panoramic fixed glass sunroof with electric sunblind

### INTERIOR

- Extra comfort front headrests
- MULTI-SENSE ambient lighting and driving mode selector
- Sunblinds - on 2nd row rear windows
- 3rd row seating (2 seats foldable into the boot floor) with 3 point seat belts, cupholders and LED reading lights
- Driver and front passenger LED reading lights and central LED light
- Driver and front passenger seats with rear mounted storage pockets and aviation
- LED reading lights for 2nd row passengers
- Upholstery - Synthetic leather and Dark Carbon cloth
- Dashboard and upper door panels with stitch detailing
- MULTI-SENSE ambient lighting (lower dashboard and door armrests) and driving mode selector
- Auto-dimming rear-view mirror
- Windows - extra tinted rear and tailgate

### COMFORT AND CONVENIENCE

- Keycard - hands free with walkaway lock function and welcome function
- One-touch folding 2nd row seats (+3rd row - Grand Scénic only)
- Puddle lighting in door mirrors

### CONNECTIVITY AND SOUND SYSTEM

- Compatible with Apple CarPlay™ & Android Auto™ ^
- R-Link 2 multimedia system: 8.7" touchscreen, TomTom® LIVE services with Western European mapping, FM/AM/DAB tuner, Bluetooth® audio streaming and hands-free calls, voice control, vehicle applications and 3D navigation
- BOSE® Pack - BOSE® Sound system: 11 speakers with a digital amplifier + 1 Subwoofer (dCi 160 Auto EDC versions only)

† For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html> ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# Standard features

## SIGNATURE NAV (additional equipment to Dynamique S Nav)

20" Quartz alloy wheels

Leather (carbon black) upholstery

### EXTERIOR

- 20" QUARTZ alloy wheels
- Front fog lights with cornering function
- Full LED headlights with "See me home" function

### INTERIOR

- Nappa leather steering wheel
- Driver and front passenger seats - electrically adjustable (fore/aft, height and recline), rear mounted aviation tables and rear storage pockets
- Driver and passenger seats with courtesy, massage and easy access function
- Driver seat with memory function
- Upholstery - leather (carbon black)

# Accessories

---

**1. Holiday Pack:** Roof bars and Urban Loader roof box (extendable from 300 to 500 litres). **2. Retractable tow bar:** This tow bar system will be ready in a few seconds without tools or effort. Retractable in a single movement, it becomes invisible and preserves the look of your vehicle. **3. QuickFix Aluminium roof bars:** Quick and easy to install with the innovative QuickFix system. Allow for the attachment of a roof box, increasing your Scenic's loading capacity. **4. Standard boot liner:** Ideal for easily transporting even dirty items, it effectively protects the original carpet, and is perfectly adapted to the shape of your Renault's boot. **5. Boot sill protector:** Protect the boot sill from scrapes whilst enhancing the style of your Scenic.

For prices, please refer to the Renault Car Price Guide available at your local dealer and on [www.renault.co.uk](http://www.renault.co.uk).

**1. Child seat (from 9 month to 4 year old child):** Ensures optimum safety and protection for children aged 9 months to 4 years. Very comfortable, it can be adjusted to three positions including a sleeping position. ISOFIX attachment system.

**2. Tablet holder:** Easily attached to the headrest, allowing your rear passengers to comfortably view video content on touchscreen tablets between seven and ten inches.

**3. Illuminated door sills:** Double sided, the illuminated door sills add style and protection.

**4. All-in-one boot liner:** Essential for protecting the boot of your Renault, it can be folded and unfolded with ease and adapts perfectly to the position of the rear seats while covering the full surface area of the boot and the back of the rear seats. Highly practical, both for daily use and for leisure activities.

## INDIVIDUAL ACCESSORIES

Child seat (from 9 month to 4 year old child)  
Tablet holder

Illuminated door sills  
All-in-one boot liner

Horizontal Boot Net  
Chrome mirror covers

Rim bands  
Swan neck tow bar

● = Standard (therefore no cost) ○ = Optional - = Not available

(4) = Standard on dCi 160 Auto EDC variants. † = For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html> ^ Compatibility: An Android phone running Android 5.0 (Lollipop), an iPhone no earlier than iPhone 5 & iOS 7.1. Connecting a smartphone to access Android Auto™ and Apple CarPlay™ should only be done when the vehicle is safely parked. Drivers should only use the system when it is safe to do so and in compliance with the requirements of The Highway Code. Drivers should be aware of the potential of hands-free technology to distract a driver's attention from the road, preventing them from having full control of the vehicle.

# Renault Services

## 3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 60,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit [www.renault.co.uk/warranty](http://www.renault.co.uk/warranty)

## 3 Years Roadside Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Renault Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit [www.renault.co.uk/assistance](http://www.renault.co.uk/assistance)

## EasyLife Pack - £299\*

Renault's EasyLife Pack is the ultimate package to provide care free servicing for the first 3 years or 30,000 miles (which ever is sooner). It really is the hassle free way to take care of our Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The EasyLife Pack contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle health check to ensure your Renault is in the best condition possible.

## Finance options\*\*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

## Renault car insurance option<sup>1</sup>

A car as well designed as your Renault deserves an insurance policy to match. Renault Insurance comes with a 5 Star Defaqto<sup>o</sup> rating and has been specifically created to provide superb protection for you and your car. In addition to a very competitive premium, Renault Insurance also includes: Renault approved parts fitted in Renault Accident Repair Centres, protecting your 12 year anti-corrosion warranty; repairs guaranteed for 3 years; a courtesy car for the duration of any repairs - subject to availability when you use an approved repairer; payment by instalments - subject to status.

## Renault car insurance:

0330 102 8833<sup>†</sup>

[www.renaultcarinsurance.co.uk](http://www.renaultcarinsurance.co.uk)

Lines are open Monday - Thursday 8.30am - 7.30pm, Friday 9am - 6pm, Saturday 9am - 5pm.

## Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package. Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
  - Tyres can be included within the contract at an additional fixed cost
  - Ancillary equipment can also be included (at an additional fixed monthly cost)
  - Excludes: Damage/Neglect/Abuse/Glass & Bulbs

- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit [www.renault.co.uk/icare](http://www.renault.co.uk/icare)

## Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If after speaking to your local Renault dealership you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000<sup>†</sup> (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website [www.renault.co.uk](http://www.renault.co.uk) or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.

Renault recommends 

 Prodigious
