

RENAULT TRAFIC

1st July 2021

A TRAFIC for every profession

Instantly distinguishing Renault TRAFIC is a more expressive front-end design, with full-LED headlights (standard from Sport) incorporated into the C-shaped lighting signature that represents the identity of the Renault brand. A bolder grille, with details such as a chrome finishing strip, plus a new 'Urban Grey' colour complete the revised styling.

Renault TRAFIC has been reinvented in order to meet your specific needs. In its various versions, from the Panel Van to the Crew Van, you will find the one which will help you achieve the best performance. In addition to its remarkable loading capacities, it now has an updated design, a 2.0l engine and an automatic gearbox which makes for an even smoother driving experience.

BLACK EDITION

Statement made.

First impressions count. But you know that. It's what sets your business apart. Show you've arrived in Black Edition. 17" 'Cyclade' black alloy wheels and piano black front grille project a distinctive style. Climb into the cabin and the controls you need fall easily to hand. Parking is made effortless thanks to the rear parking camera.

A 'Mobile Office' on wheels

The Renault TRAFIC has been specifically designed to meet your professional needs and provide you the ability to have a truly 'Mobile Office', packed with clever solutions. From tablet and smartphone cradles, to hidden laptop storage, we aim to keep you connected even when on the go. The cabin area is spacious and comfortable, creating optimal driving conditions with ergonomic seats with lumbar adjustment and adjustable steering wheel all available. It is not lacking in useful storage: 90l, including a large 54l compartment hidden under the passenger bench seat, allow you to have everything within easy reach.

Adapted to your team and your load

Whether it's people or goods, Renault TRAFIC takes care of everything! With a class-leading loading length of 4.15 m (using the load-through bulkhead under the passenger bench seat) and an effective load volume of up to 8.6 m³ in the high-roof version, it can transport all materials, tools and large or cumbersome objects! The large sliding side door and the rear doors which can open up to 255° facilitate access to the loading area. Do you need to take your team with you? The Crew Van version can comfortably seat up to six people. Combine business with pleasure with Renault TRAFIC.

Drive with peace of mind

To simplify your business trips and make them safer and stress-free, Renault TRAFIC is equipped with practical driving aids to help keep you safe. To make parking easier, use the front and rear parking sensor system - the rear parking camera is built into the rear-view mirror. The wide view mirror integrated into the passenger sun visor allows you to view the rear blind spot area for increased safety. Cornering lights combined with fog lights increase visibility on winding roads. Renault TRAFIC takes care of your comfort and safety.

1. Optional on all versions
2. Standard from Sport

Drive anywhere in any weather

Do you drive all the time on different types of terrain and sometimes on bad roads? To meet occasional demands for enhanced traction and help you deal with poor driving conditions, Renault has developed new technology: Grip Xtend. This technology improves the adaptability of your utility vehicle on difficult roads, such as unpaved or muddy tracks. The onboard computer recovers data from the wheels to optimise the vehicle's performance. When grip is lost, it adapts engine power to each wheel to improve the grip and manoeuvrability of the vehicle.

It should be noted that limitations on screen do not permit the subtle paintwork shades on this page to be shown with absolute accuracy.

Standard features

BUSINESS

16" 'Delos' wheels

Kompo

Technology

- DAB radio with Bluetooth, USB socket and AUX input with 2x15W speakers
- 12v power socket (front)
- 6 speed gearbox with gear shift indicator
- Trip computer

Interior

- Closed glove box
- Driver's seat with armrest - height adjustable, lumbar adjustment
- Steering wheel - reach and rake adjustment
- Electric front windows - driver's side one-touch descending
- Passenger bench seat
- 'Kompo' upholstery

Exterior

- Halogen headlights and daytime running lights
- Left side loading door - unglazed
- 80-litre fuel tank
- 20-litre AdBlue tank
- Door mirrors - heated with electric adjustment and external temperature sensor
- 16" steel wheels with large wheel stylers
- Rear doors - unglazed, 180°
- Roof bar fixings
- Spare wheel with anti-theft spare wheel holder

Safety and security

- ESC (Electronic Stability Control) with HSA (Hill Start Assist) and Grip Xtend
- Anchorage points: 16 for short wheelbase (SWB) and 18 for long wheelbase (LWB)
Weight allowed per anchorage point: approximately 500kg
- Full-steel bulkhead
- Alarm (perimeter)
- ABS with EBD (Electronic Brake force Distribution)
- Electronic immobiliser
- Key - 3 button with selective opening
- Deadlocking
- Airbag - driver
- Seatbelts - 3 point height-adjustable seatbelts with pretensioners and load limiters
- 4 disc brakes

Crew Van adds

- 2nd row of 3 passenger bench seat
- Glazed bulkhead
- Left and right side loading doors - glazed
- Plastic side panels up to windows

Standard features

BUSINESS+ (in addition to BUSINESS)

16" 'Delos' wheels

Kompo

Interior

- Manual air conditioning and pollen filter
- Passenger bench seat with underseat storage
- Mobile Office (fold down middle passenger seat, with detachable A4 clipboard and laptop storage)

Exterior

- Body coloured door rail and rear tail light column with chrome grille

Safety and security

- Full steel bulkhead with load-through facility
- Rear parking sensors

Standard features

SPORT (in addition to BUSINESS+)

17" 'Cyclade' alloy wheels

Java

Technology

- Automatic headlights and wipers

Interior

- Leather steering wheel
- Premium dashboard with closable upper dashboard storage
- 'Java' upholstery
- 2 spot reading lights (driver/passenger)
- Smartphone cradle

Exterior

- C-shaped LED headlights and LED daytime running lights
- Metallic paint
- Body coloured front bumper and door mirrors
- 17" 'Cyclade' alloy wheels

Safety and security

- Front fog lights
- Cruise control and speed limiter

Crew Van adds

- 2nd row of 3 passenger seats:
- Individual seats with adjustable headrests, ISOFIX (left & right seat), 2 armrests and underseat storage
- Left and right side loading doors - glazed with opening windows

Standard features

BLACK EDITION (in addition to SPORT)

17" 'Cyclade' black alloy wheels

Java

Technology

- Rear parking camera

Exterior

- 17" 'Cyclade' black alloy wheels
- Body-coloured side mouldings
- Piano black front grille
- Piano black styling blade in lower grille
- 'Black Edition' aluminium rear badge
- 'Black Edition' decals

Upholstery and wheel trims

- - - Torque

More efficient driving

Now equipped with the new 2.0l dCi diesel engine with variable geometry turbocharger compliant with Euro 6d-temp emissions standards.

Available from 120 hp to 170 hp, this 5th generation engine delivers more power (+ 25 hp) and more torque (+ 40 Nm), whilst achieving better fuel economy and driving pleasure.

TRAFIC Van is available with two superior engines (145 hp and 170 hp) that can accommodate the new dual-clutch automatic gearbox.

(1) An engine consumes oil for lubrication and to cool its moving parts. It is normal to top the oil up once or several times between two changes. (2) Fuel consumption and CO₂ emissions are certified using a standard, regulated method. It is identical for all manufacturers and allows vehicles to be compared. (3) Actual fuel and AdBlue[®] consumption depends on vehicle use, equipment, the user's driving style and loading. (4) Depending on engine and trim level. † WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures. Please visit reault.co.uk/configure for WLTP figures for any selected options.

^ All chassis comes with Rustproofing underneath the chassis - Cathodoresis (zinc phosphating paint bath), Mastic sealant & anti-gravel packing, Painting = primer + several layer painting.

† WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures. Please visit renault.co.uk/configure for WLTP figures for any selected options. ^ Payload equals the Maximum Operating Mass (Gross Vehicle Mass or GVW) less the Kerb Mass. Kerb Mass is the weight of the complete vehicle including coolant, oil, a 90% full fuel tank, a 100% full AdBlue tank, spare wheel and jack, but excluding driver and crew. All Kerb Masses, and therefore Payloads quoted are subject to a 5% manufacturing tolerance and are based on the base level model. Any additional equipment added (options or accessories), or the selection of a higher trim level, could result in a higher Kerb Mass and a reduced Payload, and may increase CO₂ and decrease MPG figures. *All prices shown are the manufacturer's recommended retail prices. The "On The Road" price Includes delivery to the dealer premises, number plates and a four-litre starter pack of AdBlue®, 12 months government road fund licence at £275 (or £165 for vans with a GVW of more than 3.5 tonnes) and the First Registration Fee of £55. Other goods or services supplied by agreement between the customer and the dealer are not included.

LCV SERVICE PLAN

		MRRP (inc VAT)
dCi 120 / dCi 145 / dCi 170	5 Years / 66,000 miles	£800
dCi 145 Auto / dCi 170 Auto	5 Years / 66,000 miles	£1,145

LCV EXTENDED WARRANTY

	MRRP (inc VAT)
5 Years / 100,000 miles	£685

Service Plan Terms & Conditions The Service Plan offer is available on all LCV's. Valid at participating Renault dealers only and may be purchased up to 12 months after registration or before the first service (whichever is sooner). Vehicles must be ordered between 01 July 2021 and 30 September 2021 and registered by 31 December 2021.

The Renault Service plan covers the manufacturer's minimum maintenance programme requirements for the term of the Service Plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/-1 month or 1,000 miles of the service interval and can only be carried out at a Renault Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. For Service plan full Terms & Conditions visit www.renault.co.uk/owners. Cannot be part exchanged, refunded or transferred. All prices quoted are MRRP.

Extended Warranty Terms & Conditions The Extended Warranties are available on all LCV's (excluding ZOE Van). Valid at participating Renault dealers only and are available to purchase from first date of registration and may be purchased up to 12 months after registration. For full Extended Warranty Terms and Conditions visit www.renault.co.uk/extensions-of-warranties

Options

1. Rear parking sensor: To facilitate parking manoeuvres, the parking aid alerts you to any obstacles behind the vehicle with an audible signal. You can then reduce the risk of accidents and damage to your vehicle.

2. Hands-free key card: You can lock, unlock and start the vehicle without even using the card, simply by touching the door button or the start button.

3. Airbag system*: Driver and passenger pre-prepared restraint airbags, headrests and three-point seat belts, including force limiters and pretensioners. Deactivation of the passenger airbag allowing child seat back-to-road installation (according to regulations). Side curtain airbags for the front seats, combined with chest airbags where individual passenger seat is present.

4. Load-through bulkhead: Two hatches, located in the partition and under the passenger bench seat, can increase the loading length by 1.21m.

*Drivers airbag standard on all versions

Accessories

1.

2.

3.

1. New Traffic Sport Pack: Enhance the overall appearance of your van on the road. It is available in the full pack or to buy the parts separately if preferred. The pack includes a lower front bumper, a black roof spoiler, "exhaust" chrome tips and matte black side steps. Add the full pack to give your TRAFIC a sportier, more dynamic appearance.

2. Roof bars: Very practical for transporting professional equipment and all other bulky loads. These roof bars meet all safety and quality standards and are available in either a set of 2 bar (maximum load: 89.5kg) or 4 bars (maximum load: 181.5kg).

3. Loading Pack*: Essential for easy access to the roof. Pack includes the steel ladder, mounted inside the door for a better hold, and the aluminium roof rack, supplied with rear roller for easy loading.

4. Rubber floor mats: These waterproof and easy-to-maintain mats ensure total protection for the floor of your TRAFIC. They are quick to attach using 2 safety clips and come in packs of 2 or 4.

5. Kenwood Dashcam: The Kenwood DVR-A501W dashcam Pro Pack is a great addition for added security and reassurance on the road. The on-board camera automatically starts recording as soon as the vehicle ignition is switched on. The dashcam is designed to give drivers peace of mind, as video footage is widely accepted and used for insurance claims. The pack includes a GPS integrated dashboard camera, touch panel control and parking mode recording.

6. Sortimo racking - Ready4Work and SR5 ranges: Pre-selected and bespoke racking solutions available giving you more room & more space for what matters.

*These accessories are available to order individually. Accessories are fitted post-production and may have an impact on real world fuel (actual) consumption and CO₂ figures.

For more information and additional accessories, consult the TRAFIC accessories brochure.

Renault PRO+, the specialist brand

You're the expert in your field and at Renault PRO+ we're here to guide you through ours. We're passionate about delivering products and services to move your business forward. So when you choose to partner with Renault PRO+ you can expect:

Specialist network

Renault PRO+ Centres have a dedicated commercial vehicle specialist. So whatever you're seeking advice on, there's always someone to help.

Business Commitment

Come rain or shine, we have a set of commitments in place to help maximise uptime and minimise downtime.

The future today - 100% electric

Renault PRO+ has been building, selling and maintaining electric vans since 2011. So when you're looking to make the switch, you know who to speak to.

A tailored approach

Your vehicles are as unique as your business. That's why we have a programme of conversions to deliver exactly the product you want. From 'off the shelf' conversions to a more bespoke approach. We'll guide you through.

Renault services

3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit www.renault.co.uk/warranty

3 Years Renault Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration (unlimited mileage for first 24 months, then limited to a total of 100,000 miles or 3 years, whichever comes first). Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance and Terms and Conditions please visit www.renault.co.uk/assistance

LCV Service Plans & Extended Warranties

Renault's LCV Service Plans are the ultimate package to provide care free servicing for your new Renault LCV. It really is the hassle free way to take care of your Renault and benefits from;

- Inflation Proof Servicing - You know exactly what you'll pay and there are no hidden costs
- Peace of Mind - No matter where life takes you, we'll be there in over 5000 workshops across Europe
- Renault Expertise & Quality - Our highly trained technicians know your Renault inside out

The Renault LCV Service Plan contains Renault services in-line with the manufacturer's service schedule, plus comes with a complimentary vehicle safety check to ensure your Renault is in the best condition possible.

Renault LCV Extended Warranty enhancements also available. Refer to the Price Guide for more details.

Service Intervals

24,000 miles / 2 years

Renault Network Services

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

Renault iCare

Renault iCare is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
 - Tyres can be included within the contract at an additional fixed cost
 - Ancillary equipment can also be included (at an additional fixed monthly cost)
 - Excludes: Damage/Neglect/Abuse/Glass & Bulbs
- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit www.renault.co.uk/icare

Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If, after speaking to your local Renault dealership, you are not completely satisfied, please contact the Renault UK Customer Relations Team on 0344 3350000[†] (Mon-Fri 8.00am to 6.00pm, Closed on Bank Holidays. Live Chat Mon-Fri 8.00am to 9.00pm). You can also visit our website www.renault.co.uk or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

Finance options*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Continue the Renault TRAFIC experience
at **www.renault.co.uk**

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
